

# Chappell exits Loy Yang after loss

Indianapolis' Nick Chappell will now set his sights on the Australia Junior Open following a 6-0, 7-5 loss to Jannick Lupescu of the Netherlands in the third round of the Loy Yang Traralgon International in Australia. Chappell scored a huge upset in his opening round match of the tournament, knocking off top-seeded Gianni Mina of France, 6-4, 6-2, then followed it up with a second-round win against South Africa's Reiner Moolman, 6-3, 6-4. Chappell, who helped lead North Central High School to the IHSAA boys' state title in 2007 and won the singles championship the following year, played the Loy Yang as a tune-up to his appearance in the Junior Open, which begins Sunday.
